Hello friends and fellow keepers!

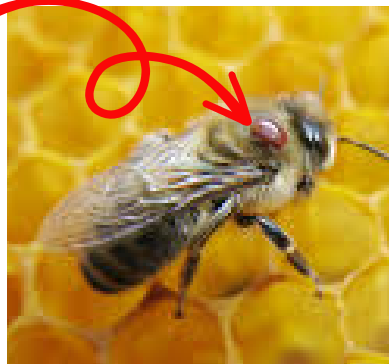

Fair Well Until Next Year

The Tri-County fairs were terrific! So many amazing exhibits! I won best of show for my creamed honey and wax swans. It's fun to participate and the monetary rewards are a nice bonus. Get your entries ready for next year and study the Maryland State Honey Show requirements to make your exhibits shine. Here is a [LINK](#) with all the information.

Mite Need My Help?

We're coming into varroa treatment season and I provide a 3-part oxalic acid treatment beginning October 9th. Email me to get on my schedule. Varroa are at their peak numbers and can cause 48% over winter losses nationally according to the Bee informed partnership.
